

CHEF BASES **EBCB**

EBCB60-HC

Elevate Efficiency with Quality Chef Bases

Tailored to the unique needs of chefs and kitchen staff, our **EBCB Chef Bases** serve a dual purpose by offering a sturdy base for countertop cooking equipment while also providing refrigerated storage. The refrigerated drawers beneath the chef base enable chefs to keep frequently used ingredients at their fingertips, ensuring quick and easy access during the cooking process. Their durable construction, coupled with refrigeration capabilities, not only aids in preserving ingredient freshness but also supports the seamless execution of culinary creations. In the culinary symphony of a restaurant kitchen, these **EBCB Chef Bases** chef bases play a harmonious role in elevating efficiency and maintaining the high standards expected in the world of gastronomy.

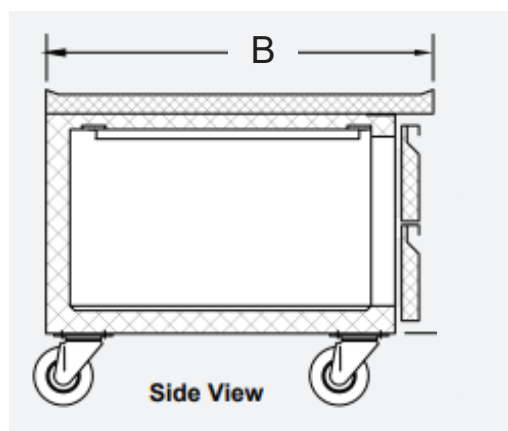

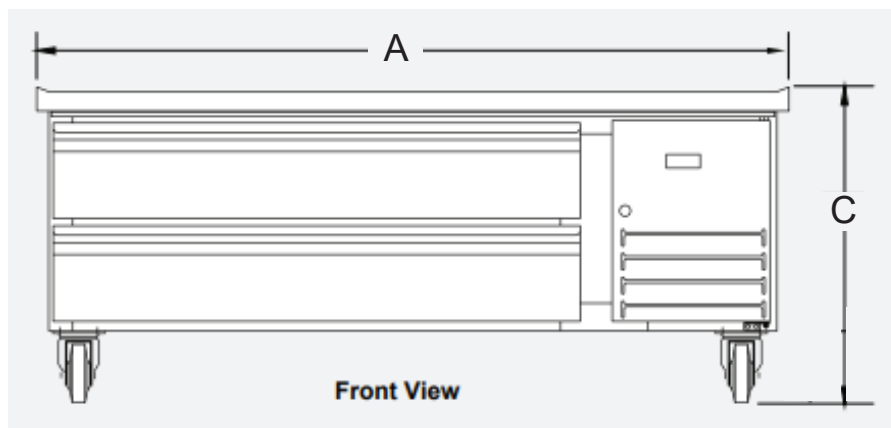

Standard Features

- ◆ CFC refrigerant and foam
