- ◆ Heavy duty casters for easy mobility
- ◆ 3 year parts and labor warranty
- ◆ 5 year compressor warranty
- ◆ Durable and modern design

RR2-HC

The High Efficiency Fridge Solution

The **EBRR Reach-In Refrigerators** play a pivotal role in the seamless operation of bakeries and restaurants, serving as the reliable backbone for storing and preserving ingredients. Specifically designed to meet the unique needs of culinary establishments, these refrigerators offer a convenient and organized solution for chefs and bakers.

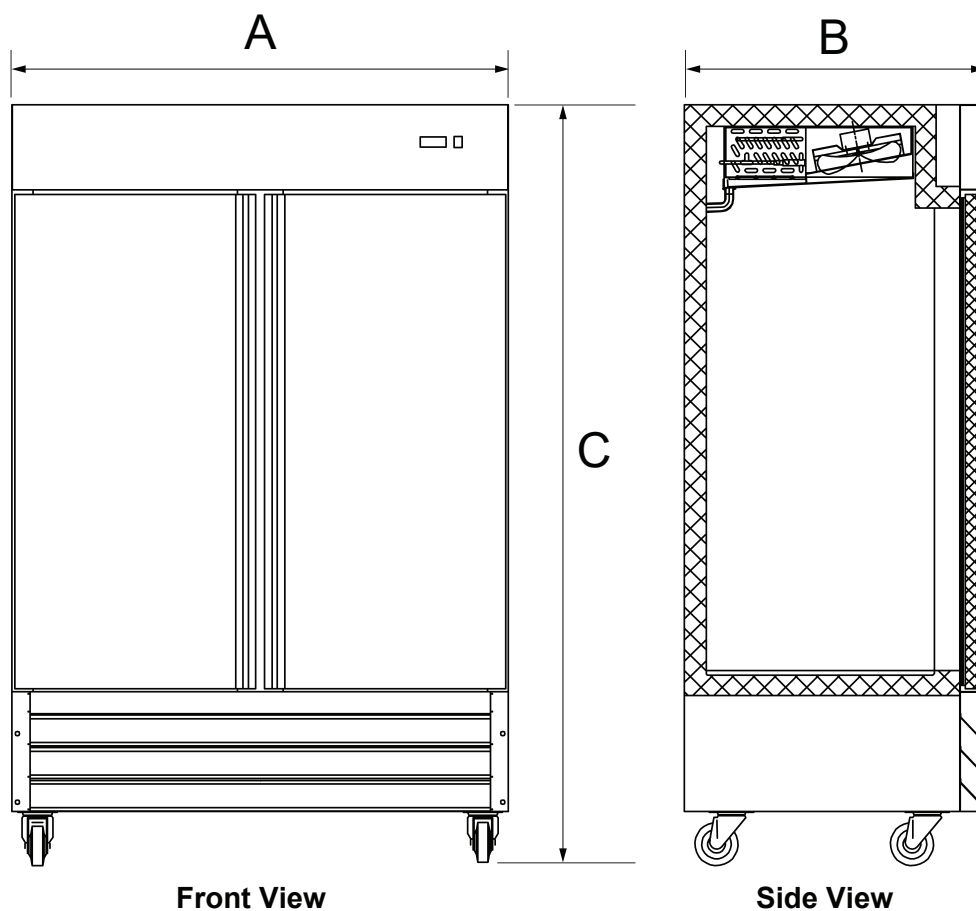

These **Reach-In Refrigerators** have a high-efficiency CFC free insulation to ensure that the freshness of produce, meats, and dairy and other foods is maintained at optimal temperatures. The **EBRR** also features an electronic thermostat with a digital LED temperature display for precision control of the fridges temperature. With its durable construction and advanced cooling technology, the **EBRR Reach-In Refrigerators** are an essential investment for bakeries and restaurants alike, promoting food safety, minimizing waste, and ultimately contributing to the success of culinary endeavors.
